Fostering Rotherham Fees and Allowances for Carers transferring to Fostering Rotherham

Rotherham Metropolitan Borough Council

We believe that children and young people in Rotherham should grow up with the right conditions to allow them to be healthy, safe and achieve their potential in life. That's why we are looking for people who, with guidance and support, can help us to provide these conditions for looked after children and young people.

**Thank you for considering Fostering Rotherham. We welcome and value all foster carers who wish to transfer to us with a variety of additional benefits to match your skills and experience.**

# Our Exclusive Offer to Experienced Foster Carers

## Do you currently care for a looked after child?

If you currently care for a child, we will match your existing payment package for the duration of that placement.

## Calculate your fostering earnings

Our fostering payments are split into a fostering fee and a fostering allowance (your current agency may call the fostering fee a 'skills payment' or similar).

Our weekly skills-based payments support everyday costs of care. As you progress through our dedicated training program, your fostering fee can increase to reflect your new skills and knowledge.

A fostering allowance is paid to cover the costs of care, days out and activities for the child in your care and can vary depending on their age.

You will receive a fostering fee and allowance for every child in your care.

# Our Exclusive Offer to Experienced Foster Carers

Use our rates table to calculate how our allowances are tailored to you and your experience:

## Fostering Fees:

### Foster Carers also receive:

### One of our fantastic social workers, Laura, shared a wonderful story of looked after children:

“It can be really rewarding being able to give a child new experiences. I worked with two siblings who were aged 8 and 9 years old. They'd never been to the seaside before, and their foster carer had a caravan near a beach. They had such an amazing time together! The children spent all day on the beach making sandcastles and splashing in the sea. The family made some amazing memories. Many years later, they're still talking about their first time at the seaside.”

We believe it's vital to offer children and young people these experiences which make a big difference, whether it's a new jumper or a first holiday.

# Foster Carers and Self Employment

Understanding how much tax you will pay as a foster carer can be confusing. Whether you're a whizz at filing your tax return or need some advice, our team can signpost you to great resources to help you meet your tax obligations.

## What this means for you

All foster carers can use the Qualifying Care Relief tax scheme to reduce the amount of tax you have to pay.

**You could be exempt from paying tax on all or most of your fostering earnings depending on:**

- How many children you look after
- Whether or not it is a complete tax year
- Whether or not there are other carers in your household

**You may also be eligible for means-tested benefits, as your fostering allowance is not usually counted towards your total income when calculating your eligibility.**

For more information about tax benefits as a foster carer, please get in touch with our team, who will be happy to help and provide contacts who are experts at submitting tax returns for foster carers.

# Financial Benefits at a Glance

We understand that transferring to a new fostering agency is a big decision. Our team will be with you every step of the way to help make the process as smooth as possible for you and any children in your care. You can transfer to Fostering Rotherham in 3 easy steps!

## Four Reasons Why Fostering Rotherham Is Different:

### Local Placement Teams

Our fostering placement team handles all home matches and referrals, but their hard work doesn't stop there. They also handle day care, teatime offerings and sleepovers for whenever your child needs them.

### Fourteen Days Annual Leave

We understand how important it is for foster carers like you to feel rested, respected and ready to look after children. We offer all carers 14 days paid annual leave. If you have a child in your care at this time, they'll be supported by our respite carers who form part of your fostering community.

### Local Experienced Teams

All of our team and foster carers live in the Rotherham area, so you will no longer have to travel long distances to training and support sessions. We have lots of local knowledge and experience helping South Yorkshire fostering families.

### Three Local Mockingbird Hubs

When you are approved as a Rotherham carer, you can receive a personalised introduction to your local Mockingbird Hub leader and our fostering community.

“Mockingbird is great to create one big family, the kids know each other. You don't tend to get that with IFAs.” - Amanda, a Fostering Rotherham carer who previously fostered with an independent fostering agency.
